

Toowong History Group

A society of concerned citizens formed Toowong History Group to preserve the historical aspects of Toowong through historical photographs, village maps, street names and stories of pioneers of the district. West Toowong, East Toowong, South Toowong and North Toowong are all covered by this society's interests

Tea and Coffee will be available following the meeting.

Phone 3870 9538 if you live locally and would like a lift to the meeting.

WEDNESDAY 21 FEBRUARY 2018

Our speaker will be Dr Neville Buch whose project is "Mapping Brisbane History". He has already completed the south side of Brisbane and is presently putting together his map of the north side of Brisbane. It will be online and people can click on a spot on the map to find out what happened in that particular part of Brisbane in the past. To do this he has been in touch with local history groups such as ours to find as many stories as he can, relating to Brisbane's beginnings. If you have a story and would like to talk to him this is your chance to do so. And, if you are interested in Brisbane's history, just to find out more about his project will make it a very interesting night.

MONDAY 26 FEBRUARY 2018

The Queensland Antiques & Collectables Club Meeting: Fourth Monday of the month

Our speaker will be Jorn Harbeck, he is a dealer in rare books, manuscripts, photographs and maps. I think this will be a very good meeting. I wonder which of us has an interesting book?
