TOOWONG CEMETERY HERITAGE WALK SUNDAY 3RD FEBRUARY 2019

10.30 AM

“1919, THE YEAR OF PEACE?”

"The War to End All Wars" is over. There is a sense of optimism as 1919 dawns.

Join us for our first walk of 2019 as we look at political and non-political events of one hundred years ago at the graves of some of the people who were involved.

In the Toowong Cemetery Museum we have a photo display that we renew on a regular basis and artefacts which will be open before and after the walk

If the museum is not open staff at the main office building in front will be pleased to open it up for you.
